

The XXIth International Conference on Electrical Machines

ICEM 2014

September 2-5, 2014

Berlin - Germany

Special Session on

IMPROVEMENT IN THE ENERGY EFFICIENCY OF ELECTRIC TRANSFORMERS, AND RELATED SMART PRACTICES

organized and co-chaired by:

Xose M. Lopez-Fernandez, xmlopez@uvigo.es

Hugo Campelo, hugo.campelo@efacec.com

Call for Papers

The aim of this Special Session is to promote the efficiency in design and operation of transformers and the smart practices to meet the future challenges. Topics of interest include, but are not limited to:

- New operation strategies.
- Training and education.
- Modeling and design methodologies.
- Testing and measurements procedures.
- Diagnosis and maintenance.
- New technologies and materials.
- Smart trends.

Provisional full paper submission deadline: 23 February 2014

(The deadline is the same as for regular papers – check the website for changes)

All the instructions for paper submission are included in the conference website:
