

35th International
Telecommunications
Energy Conference

SMART POWER AND EFFICIENCY

13 – 17 October 2013
Hamburg, Germany

Exhibition

www.intelec2013.org

organized by

in cooperation with

If you manufacture, distribute, sell or service products related to telecommunications or computer energy systems, INTELEC 2013 is the place to make contact with international leaders in the field...

EXHIBITORS ADMISSION POLICY

Exhibiting companies are required to meet the following criteria:

- 1) The company must be engaged in the design, development, manufacturing, marketing, distribution, operation or servicing of AC or DC power systems, energy conversion or energy storage equipment in communications networks as its principal business or maintain a department or division devoted to this work.
- 2) The company must offer products or services for sale directly to communications network integrators or operators.

Any exceptions to this policy will be reviewed by the Management Committee which retains the right, in its sole discretion, to refuse or deny any application submitted, in which case any deposit shall be refunded.

The EXHIBITS-ONLY badges do not include attendance at the Technical Sessions of the Conference.

Registration for the full Conference must be completed using the official registration form, which will be sent by mail or will be available on the website at www.intelec2013.org.

Exhibit hours have been arranged to give exhibitors maximum exposure. Social functions have been planned in the exhibit area so that delegates meet on both a social and business level.

All session coffee breaks will be held in the Exhibit Hall's food service areas. More information can be obtained on the Web at www.intelec2013.org.

The organisers of INTELEC 2013 will appoint an official service contractor who will provide you your service kit containing order forms for all necessary services.

SPACE COST PER m² (Prices +19% VAT):

From December 1, 2012 to April 1, 2013 320.00 EUR
