- Enclose the reference number in square brackets, e.g. [1]
- List authors by last (family) name, a comma, and then first name initial, e.g. Jones, A.
- Enclose journal articles and proceedings paper titles in quotes, e.g. "title,"
- Enclose book titles in square brackets, e.g. [book title]
- Enclose the year of publication in parentheses, e.g. (1987)
- Separate items with commas (place the comma inside the quotation marks for "title,")
